Reasons for Allowance

Claims 19-27 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites, an image data transmitting apparatus comprising:

a controller configured to convert image data into a plurality of file formats, the data of each file format including all of the image data;

a memory configured to store an e-mail address of recipient and an address of a server corresponding to the e-mail address of the recipient;

a transmitter configured to determine the server corresponding to the recipient when e-mail address of the recipient is input, to transmit to the server the data in each of the predetermined plurality of file formats and to transmit to the recipient, by e-mail, the address of the server in which the data in the predetermined plurality of file formats corresponding to the image data is stored, whereby the recipient can access the server by using said address and select, from the server, image data that is stored in a file format corresponding to the capability of the recipient.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
